プロフィール Profile

自己紹介/Self-introduction

Hello everyone, my name is Asmaa Saad. I have a bachelor's degree in Political Science from the Faculty of Economic and Political Science at Cairo University. Additionally, I hold a diploma in strategic management. Currently, I work at the General Authority for Investment and Free Zones in Egypt as a researcher and monitoring and evaluation specialist at the Strategic department. Moreover, I am about to obtain my master's degree in International Relations from the Graduate School of International Cooperation Studies at Kobe University. Prior to my current position, I gained valuable experience working at various private companies, progressing to the role of performance manager. Additionally, I had the opportunity to contribute to the field of international relations as the head of the International Relations Unit at a resources for development NGO.
