For Recommenders

Japan Student Services Organization (JASSO) is an independent administrative institution overseen by the Ministry of Education, Culture, Sports, Science and Technology in Japan. The organization was founded in 2004 in order to contribute to cultivating creative human resources to support society in the next generations with abundant humanity and to accelerating international mutual understanding. JASSO plays a role as the core institution to support students in Japan and to comprehensively implement scholarship programs for Japanese students, support programs for international students, and student support programs for students in higher education.

JASSO's graduate scholarship for Japanese students who work toward earning a degree at a university in a foreign country or region is funded by the Japanese government and will cover the expenses for study abroad.

Now, a student (hereinafter "applicant") submitting this recommendation letter wishes to take advantage of this program in order to study at a university abroad. The applicant must fulfill the requirements determined by the regulations and recommended by someone like his/her advisor.

Accordingly, we ask that you recommend the applicant by filling out the form as a letter of recommendation.
