

# Tokyo International Exchange Center

## Creating a Diversity of Intellectual Exchange

The location of Tokyo International Exchange Center (TIEC) gives it a commanding view of the Odaiba district. It is a center for intellectual exchange equipped with facilities to provide information on studying abroad and in Japan, and also has conference facilities such as the International Conference Hall within Plaza Heisei. TIEC is a place that can be used for an amalgam of intellectual exchange: international conferences, lectures, academic meetings, movie screenings, concerts, and much more.

Also, as part of Tokyo Academic Park, where exceptional graduate students and researchers from Japan and abroad gather to meet and talk, TIEC conducts various international exchange activities such as international symposiums and festivals.

### » Residence

This high-quality living environment for singles, couples or families of students and researchers from overseas provides basic support for study and research.

### » A Member of the Tokyo Academic Park

Tokyo Academic Park was established in July 2001 on the Tokyo Waterfront region as a result of collaboration between MEXT and the Ministry of Economy, Trade and Industry. Together with the National Museum of Emerging Science and Innovation and AIST Tokyo Waterfront, Tokyo International Exchange Center brings together the intellectual capitals of the world, fulfilling a role as a cultural hub of intellectual exchange that attracts wisdom from across the world and encourages new innovations.
