

**タイエ・ベラネー助教授 / 早稲田大学**  
**Assistant Professor Taye Negussie Belayneh / Waseda University**

<外国人研究者プロフィール / Profile>

国籍: Nationality:	エチオピア Ethiopia
日本留学時の滞在期間: Period of Stay During in Japan:	1997年10月8日 ~ 2004年3月31日 October 8, 1997 ~ March 31, 2004
日本留学時の大学: Education Background in Japan:	筑波大学 Tsukuba University
専攻分野: Major Field:	社会学 Sociology
現在の所属/職位: Present Institution/Status:	アジスアババ大学 / 助教授 Addis Ababa University / Assistant Professor

タイエ・ベラネー助教授  
Assistant Professor  
Taye Negussie Belayneh

<研究報告 / Follow-up Research Fellowship>

受入研究者氏名: Research Adviser:	鳥越 皓之 教授 Professor Hiroyuki Torigoe
受入れ期間: Researching Period:	2010年7月3日 ~ 2010年9月30日 July 3, 2010 ~ September 30, 2010
研究課題: Theme of Research:	エチオピアと日本の大学における社会学教育についての比較研究 A Comparative Analysis of Sociological Training in Japan (Waseda University) and Ethiopia (Addis Ababa University)

■研究概要 / Outline of Research

Undertake a brief assessment of the general training sociological training environment in Japan and Ethiopia by taking the cases of Waseda University and Addis Ababa University respectively;

- Look into the establishment of sociology in Japan and Ethiopia; organization of sociological education; the process of curriculum development etc.

Undertake a brief assessment of the general training sociological training environment in Japan and Ethiopia by taking the cases of Waseda University and Addis Ababa University respectively;

- Look into the establishment of sociology in Japan and Ethiopia; organization of sociological education; the process of curriculum development etc.

■研究成果 / Result of Research

Japanese sociology has been well indigenized (adopted) to the specific circumstances of Japanese Society in terms of its methods and theories while its counterpart, Ethiopian sociology relies too much on Western (American and European) sociological theories and methods.
