

**「大学入学のための準備教育課程」の指定を受けた日本語教育機関**  
**Japanese language institutes for students without 12 years of education**  
**(authorized by the Japanese Ministry of Education, Culture, Sports, Science and Technology – MEXT)**

Generally speaking, students who wish to enter Japanese higher educational institutions (universities, junior colleges and professional training colleges) must have received 12 years of school education outside Japan.

Students from Brazil, Hong Kong, Malaysia, Mongolia, the Philippines, Russia, Singapore, etc., who have only 10 or 11 years of education after completing their secondary education, can be eligible by taking the preliminary courses listed below.
