

Re: A print error in the Outline of Results for 2017 EJU (2nd Session)

We inform you that a print error was found in the figures indicated in the brackets of the lower line of “Average Score” in “Reading” of Japanese as a Foreign Language on the “List of Average Scores by Subject of 2017 EJU (2nd Session)” and “Outline of Results 2017 Examination for Japanese University Admission for International Students (2nd Session)” for printing (PDF) (page 7) posted in “EJU Outline of Results” and it was corrected as follows.

The correction will not affect any of the results or average scores provided to examinees and universities, etc.
