### [Remarks]

- a) The test in Japanese as a Foreign Language consists of writing, reading comprehension, and listening and listening-reading comprehension.
  - b) In the science test, examinees select two subjects from physics, chemistry and biology depending on the requirements of the university they wish to enter and the course of study they wish to pursue.
  - c) In the mathematics test, examinees select either of Course 1 if they plan to enter liberal arts programs or science programs requiring comparatively less knowledge of mathematics, or Course 2 if they plan to enter programs requiring advanced knowledge of mathematics depending on the requirements of the university they wish to enter and the course of study they wish to pursue.
  - d) Examinees may not choose to take both the Science test and the Japan and the World test.
  - e) The score ranges listed are not raw scores except the writing in Japanese as a Foreign Language; instead, they are based on a common scale. The writing is scored based on the standards.
  - f) Refer to the syllabuses for each subject.
- (5) Examination languages option:  
The EJU is available in Japanese or English, except for the Japanese as a Foreign Language test, which is given in Japanese only. Applicants need to indicate their preference in the application depending on the requirements of the university they wish to enter and the course of study they wish to pursue.
- (6) Answering format:  
All questions use a multiple-choice format, except for the writing section of the Japanese as a Foreign Language test.
