

List of Schools Offering Pre-arrival Admission using EJU

As of 19 Apr, 2024

https://www.insc.tohoku.ac.jp/english/degree/undergraduate-english/

"Pre-arrival Admission" is a system to enable international students outside of Japan to secure admission to the higher educational institutions in Japan without having to go to Japan. The higher educational institutions printed below are those which utilize the "Examination for Japanese University Admission for International Students(EJU)" for their selection of international students in the intakes. This list will be updated periodically and changed constantly by JASSO. https://www.jasso.go.jp/en/ryugaku/eju/examinee/prearrival/uni_national.html It would be advisable for international students to check directly with the higher educational institutions of their choice as well as those listed below for further information on the procedures of admission application.
