自己紹介/Self-introduction

Hi Every ! I am Rimsha Shakeel , from Pakistan. I am a Speech Therapist. Currently, I am a research student in Kobe University.

研究分野について/About study field

As a speech therapist this is one of the first researches I conducted. This study has been published in Pakistan Peadriatic Journal. In this research, I tired to highlight knowledge and attitude of Parents of children having stutterin(PCWS) in Pakistan .Stuttering is a prevelant fluency disorder and its prognosis heavily depends parents behavior.

参加者へのメッセージ Message to Participants

Stuttering is disorder that has major impact on some ones emotional, physical or mental health. While approaching these people we should be considerate and accomodating.
