Let's have fun!

Online "Undou-kai"

Ｒリモリンピック

Remolympics

Networking event
of the International Student Associations in Japan

● Date&Time: Saturday, 4th March 15:30〜18:00
● Venue: Online

What is Remolympics?

Remolympics is an online event where teams compete in various games in a remote environment.

Our Remolympics system enables the participants to enjoy the event without having to be in the same room!

Program Line-up

Dash the Buzzers

Press as many buzzers as you can to answer a question!
Even if you know the answer to the quiz, you cannot answer until you press the correct buzzer.
It's a rapid-fire quiz tournament where intelligence and quickness speak volumes.

Cyber Police

Become a member of the Cyber Police and use the photos posted by the criminal on social media as a clue to track them down.
Reason from the information in the photos, use the map, and find the criminal's location!
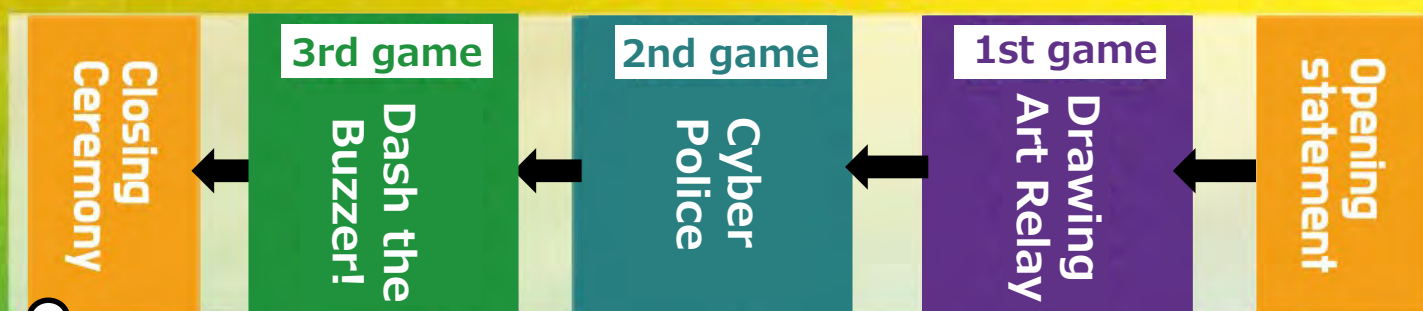

Drawing Art Relay

A picture-word chain game that trains your fingertips! Compete to see how many pictures are connected within the time limit.

Your imagination and artistic sense will be tested!

Event Schedule

Closing Ceremony ← **3rd game** Dash the Buzzer! ← **2nd game** Cyber Police ← **1st game** Drawing Art Relay ← Opening statement

The attractive present is waiting for the winner team!
