

Universities offering university transfer program (Undergraduate courses)

- Japanese national, local public and private universities listed below accept international transfer students at the undergraduate level.
- Courses which are exclusively for international students or open to all the students regardless of his/her country of origin and nationality (Japanese students also participate in) are listed below.
- Application information for international students from specific schools (overseas schools which has concluded an exchange student agreement with universities in Japan, affiliated schools, etc.), Japanese Government Monbukagakusho (MEXT) Scholarship students, international students who are dispatched by foreign governments and other types of specific students, is not listed below. However, information on applications for privately-financed international students is also listed.
- The column of date of implementation under item no. 10 also includes schedules which are yet to be confirmed. You are advised to contact respective schools for latest information.
- Search for schools (graduate schools, universities and junior colleges):
