

The history of YOKAI culture in JAPAN

YOKAI have existed since ancient times as embodiments of the inner feelings and thoughts of Japanese people, and are deeply rooted in Japanese culture.

YOKAI are often seen as objects of fear and awe in Japanese folk tales and folklore, but since the Edo period,

they have been depicted as the subject of entertainment works such as Ukiyo-e, and have remained familiar to Japanese people in various forms up to the present day.

> I'd like to introduce you to a side of the YOKAI that you may not know about

河野隼州 KONO Junya

妖怪文化研究家/妖怪造形家/妖怪企画プロデューサー Department of YOKAI Culture Studies, YOKAI Artist, YOKAI Event Producer

京都生まれ。学生時代に妖怪を文化資源とした地域振興活動に着手 し百鬼夜行を再現する妖怪仮装行列を企画。現在はイベント運営、 作家活動、研究活動を通して日本の妖怪文化の海外への発信をライ フワークとしている。

Born in Kyoto. When he was a student, he began activities to promote the local community using YOKAI as cultural resources, and planned a YOKAI Costume Parade to recreate The Night Parade of One Hundred YOKAIS. Currently, his life's work is to spread Japanese YOKAI culture overseas through event management, writing, and research activities.
